Strongest Partner Network in Ecommerce

Access discounted shipping rates:

- USPS, FedEx, UPS, DHL and more
- Dispatch through Amazon FBA

With ShipStation and Salesforce:

- Ship and fulfill order or shipment objects
- Shipping info and tracking number passed back to Salesforce

“Optimizing shipping processes is vital for ecommerce businesses as it is the last touchpoint a customer has with a brand. This final impression can leave a lasting impact on a brand, ultimately either increasing or decreasing repeat shoppers and brand loyalty. We are excited to have our shipping solution available on Salesforce AppExchange, offering all small businesses and enterprise retailers on the Salesforce platform more than 150 integrations for a variety of selling, processing, inventory management and fulfillment options.”
